Dallas Police Department Tapes: Officer Information.

These names were copied from a greatly reduced copy of transcripts of both channel 1 and channel 2 of the DPD transmissions on 11/22/1963. Some of them are sure to be misspelled. I take no responsibility for them at this time, as I have not cross-checked them from other information. These names were:

- (1) Called by the dispatcher
- (2) Calling the dispatcher, or
- (3) Mentioned in transmissions.
